

Please read this page outloud as a set of guidelines for you to follow during, and after each of the google classroom session

In the classroom I'm expected to

...Be respectful –

allow other to speak and wait for the facilitator to unmute and give you the floor

...Ask questions –

during or after each class take time and ask at least one question to make sure you understand. Feel free, feel comfortable.

...Follow directions

This will make it easier and enjoyable for you

...Pay attention–

it is important to understand what each lesson is is about, each lesson build onto the other

...Be on task –

Respect the facilitator by muting or turning off the phone

Have google classroom as the main screen on your computer

Come with the proper material and assigned work finished

When using the equipment, I will

...Have all material properly stored

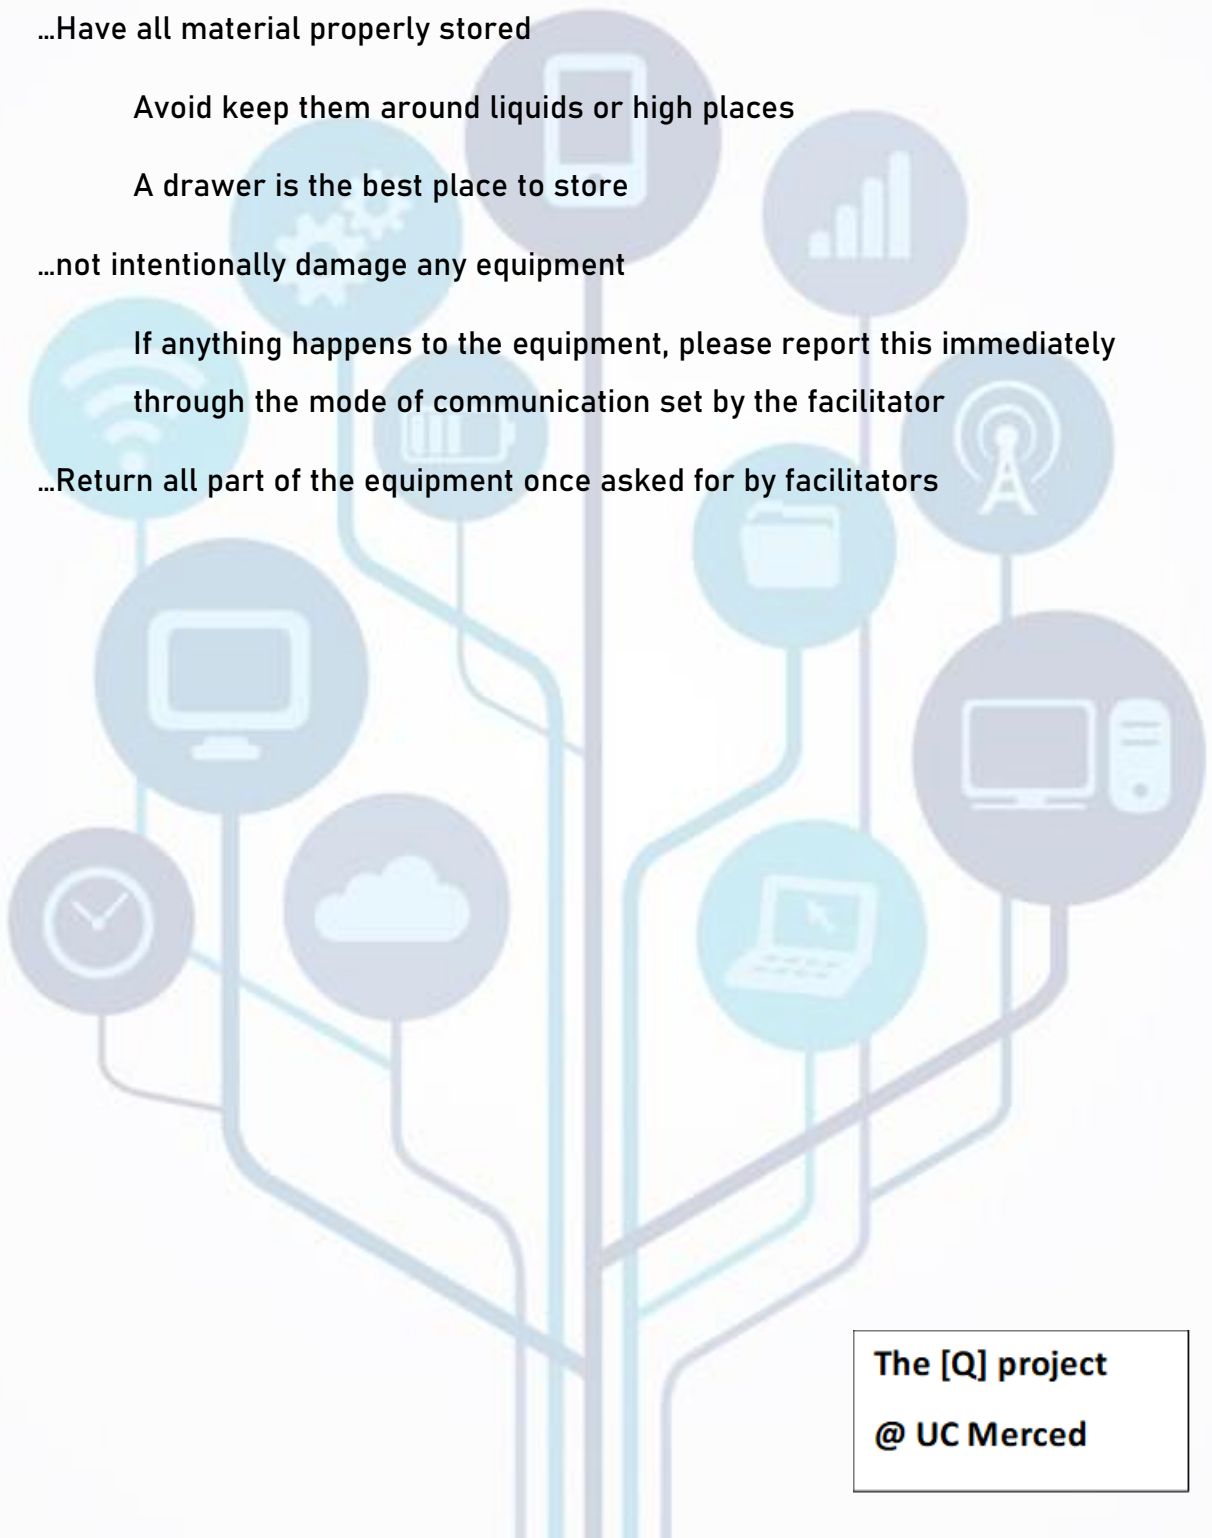

Avoid keep them around liquids or high places

A drawer is the best place to store

...not intentionally damage any equipment

If anything happens to the equipment, please report this immediately through the mode of communication set by the facilitator

...Return all part of the equipment once asked for by facilitators
